

**IDAHO TIME SENSITIVE
EMERGENCY SYSTEM**
TRAUMA | STROKE | STEMI

Each Year,
Over 60
Idaho
Children

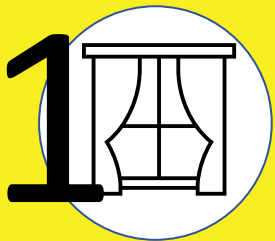

Are hospitalized after a fall.

Falls from Windows

are one of the most common
causes of injury.

4 Tips For Window Safety

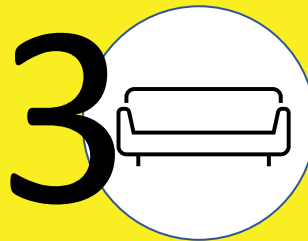

SCREEN

Screens keep
bugs out-
not kids in

SUPERVISE

Do not leave
kids alone by
open windows

FURNITURE

Move all
furniture away
from windows

LOCKED

Keep windows
locked when
not in use
